Hi Sidda,

You have a new message on Udemy.

**Neal Davis | AWS Certified
Solutions Architect & Developer**

Congratulations on enrolling in this bestselling **cloud computing course for beginners!** You'll build knowledge from beginner level to advanced concepts, with plenty of opportunities to practice what you're learning.

The **QA Forum** is your platform to discuss any questions you may have.

REVIEWS really matter - they guide students and help us continuously improve our courses. We'd be thrilled if you could **leave a rating**. While Udemy may ask for a
